## Fragrances that touch your mind and body, bringing about a change deep within.

We believe in the invisible influences of the senses that manifest as a change within the mind and body.

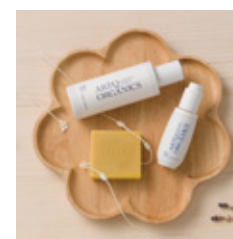

Since the year 2000, we have traveled to numerous farms worldwide, in search of the best ingredients for optimal fragrances, and have discovered that these were to be found in the realms of certified organic quality.

We are proud to offer you quality products, utilizing only the best ingredients and fragrances, so as to support the balance of body and mind.

## ARTQ ORGANICS COSMETIC PRODUCTS

By engaging in the manufacturing of certified organic products at our company factory in Japan, we offer cosmetic products that work not only on the surface of the skin, but those that delve deep into the inner layers of the mind. We use over 70 kinds of certified organic ingredients and components made from 100% pure vegetable origins in our formulations. All of our products carry the COSMOS/USDA ORGANIC certification.

## AROMATHERAPY PRODUCTS

Enjoy the fresh fragrances and colours of the COSMOS ORGANIC certified essential oils and vegetable oils, purchased from the best organic farms worldwide. Take a pick of one of our original essential oil blends, room mists and seasonal special products. We also have an array of craft ingredients and accessories to utilize in craft-making products.
